INFORMATION

The Bergen County Bowling Association cannot assume responsibility for any errors, or omissions in this printed record and average book. When the average is used by the individual bowler for any occasion it is his duty to state the correct average.

The information appearing in this compilation of averages of Bergen County bowlers as submitted by the league secretary. The Association expresses its regret that in some cases nick names are listed as well as abbreviations. Your Association feels that the bowler is entitled to the dignity of listing his full first and last name. However, this can only be accomplished when the bowler submits a complete and correct application card to the league secretary.

BOWLERS WITH LESS THAN 21 GAMES ARE NOT LISTED.

We deeply regret that the final averages of the bowlers who competed in leagues listed below are not listed below due to the failure of league secretaries in submitting the final averages as requested.
